To (what appears to be) threatening Iran to accept the nuclear bond between Iran and the United States of America.

2/19/2029: Donald Trump the current president of the United States of America states “If Iran does not accept the nuclear arms treaty in a matter of 10-15 days bad things will happen”

Map of US-bases in the middle east

Video of Donald Trump stating bad things will happen if Iran does not accept the treaty in a matter of 10-15 days

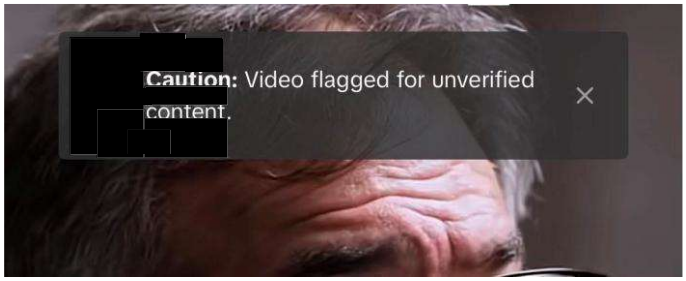
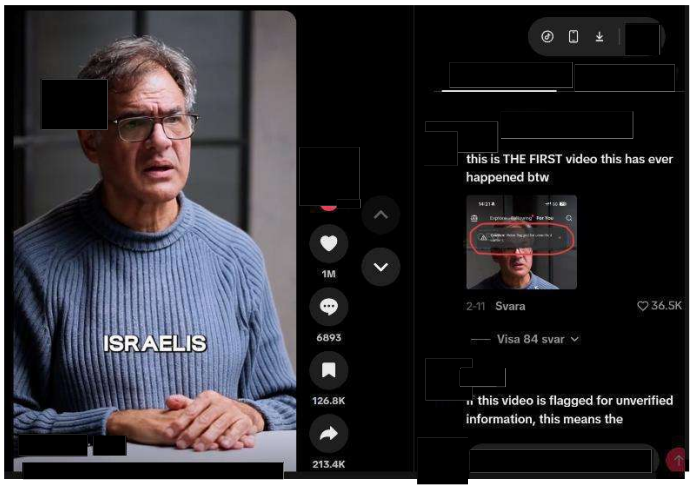
It is speculated that this is to get the public eyes of the Epstein files. Modern censorship has been show on any social media. You cannot message [redacted] or [redacted] files" on TikTok anymore.

Also a recent video of a CIA whistleblower got marked as "might be un-factual" and it got share limited (a person can only share the video once) to "stop spread of potentially unverified information"





Which appears to be the first video most people have seen this on.
